EDUCATION

University of Massachusetts Boston

Bachelor's in Sociology and English

Snowden International High School, Boston

High School Diploma, 2015

PROJECTS

Demo Day PROJECT — *Detail*

I was able to showcase my wide range understanding of frontend and backend development by deploying a social media app that connects you with others who have the same interests.

SKILLS

- Front-end, HTML, CSS, Javascript, React.js, Node.js, MongoDB
- Critical Thinking and Qualitative/Quantitative Data Analysis
- Microsoft Office
- Written and Oral Communication in English and Somali

More Projects

- Matching game, players select two cards at a time to reveal hidden images, and if they match, the cards remain visible, otherwise they flip back over until all pairs are matched.

- Full Stack App with Log in, in this app you can search for your favorite Anime and bookmark it into a database, you can also delete it.

LANGUAGES

English, Somali
